In continuation of Government Notification No. G. 27129—P. P. 54-19-4, dated the 8th June 1920, the following Proclamation No. 69, dated 26th June 1920, issued in Australia, is hereby republised for general information :—

Brushes or Toilet Articles containing or made from the Hair of Animals.

PROCLAMATION.

Australia to wit, R. M. Ferguson, Governor-General. By His Excellency the Governor of the Commonwealth of Australia.

Whereas by the Quarantine Act 1908-1915, it is enacted that the Governor-General may, by proclamation, prohibit the importation into Australia, of any articles likely, in his opinion to introduce any infectious or contagious disease, and that the power of prohibition shall extend to prohibition generally or with limitations as to place and subject matter, and either absolutely or subject to any special conditions or restrictions.

And whereas by a proclamation issued in pursuance of the said Act and published in the Gazette of 25th March 1920, the importation from certain countries of shaving brushes or other toilet articles made from the hair of animals was prohibited.

And whereas it is desirable to permit the importation of the said articles from certain countries subject to certain conditions :—

Now therefore, I, Sir Ronald Craudfurd Munro Ferguson, the Governor-General aforesaid, acting with the advice of the Federal Executive Council, do hereby repeal the said Proclamation and I do hereby prohibit the importation into Australia of brushes of any description of toilet articles containing or made from the hair of animals, which have been manufactured in Eastern or South Eastern Asia, India, Ceylon, Japan, the East Indian Islands, or the Philippine Islands, unless a certificate from a responsible official of the Health Department of the country of origin is produced within 60 days of the arrival of the goods in Australia satisfactorily identifying them and certifying that the hair contained in them or from which they are made, was effectively cleaned and disinfected before manufacture.

This proclamation may be cited as Quarantine Proclamation No. 69.

Given under my Hand and the Seal of the Commonwealth this twenty-sixth day of June, one thousand nine hundred and twenty, and in the eleventh year of His Majesty's reign.

By His Excellency's Command.

GOD SAVE THE KING.

No. G. 8757—*Med.* 79-20-2, *dated* 29*th October* 1920.

The following Order No. 2225, dated the 10th September 1920, issued by the Government of Madras regarding the price charged for quinine packets, is published for general information :—

"The Government have recently had under consideration the question of the price charged for the 10 grain packets of quinine which are sold at Post Offices in order to popularize the use of the drug.

2. The present price of 3 pies a packet was fixed in 1910 when the cost of manufacture was Rs. 7-12-5 a pound, and even then represented a slight loss on the transaction. It has been calculated that at the present cost of manufacture, packing, distribution and sale, the

amount realised out of the 3 pies which is creditable to the cost of the quinine is less than half the actual cost at the factory. Meanwhile the cost of quinine in the open market has more than doubled.

3. In view of these considerations, it seems to the Government that it is no longer sound policy to continue sale at so great a loss and they have therefore decided to follow the example of the Government of Bombay in raising the price to 6 pies a packet which, it is calculated, will leave a small margin over the cost of manufacture, packing, transport and sale. Incidentally they propose to raise the commission paid to Postmasters from 4 to 5 annas a packet of 100 powders or from Rs. 1-12-0 to Rs. 2-3-0 per pound.

4. This decision will take effect from the 1st October 1920. Concurrently with this, the Government propose, subject to the sanction of the Government of India, to make a considerable reduction in the price of quinine supplied to local hospitals and dispensaries and they hope that any reduction in the issue from the Post offices which may result from the increase in price of the supply will be more than made up by the increase in the issues made under medical advice."

No. G. 8819—*P. P.* 82-20-2, *dated* 30*th October* 1920.

The following Notification No. 6634, dated 2nd October 1920, issued by the Government of India in the Department of Commerce is hereby republished for general information:—

"At the Court at Buckingham Palace, the 13th day of August 1920."

PRESENT.

THE KING'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas by Section thirty-five of the Government of India Act 1919, it is enacted that His Majesty by order in Council may make provision for the appointment of a High Commissioner for India in the United Kingdom and for the pay, pension, powers, duties and conditions of employment of the High Commissioner and of his Assistants and provide for delegating to the High Commissioner any of the powers previously exercised by the Secretary of State or the Secretary of State in Council in relation to making contracts and prescribe the conditions under which he shall act on behalf of the Governor-General in Council or any Local Government.

And whereas it has seemed to His Majesty by and with the advice of his Privy Council to be expedient to make provision forthwith for the appointment of a High Commissioner for India in the United Kingdom and to make such provision as hereinafter appears for the other matters mentioned or referred to in the above recited enactments.

Now therefore His Majesty by virtue and in exercise of the powers in this behalf by the above recited enactment in him vested is pleased, by and with the advice of his Privy Council, to order and it is hereby ordered as follows:—

1. The Governor-General in Council may from time to time by notification in the "Gazette of India" with the approval of the Secretary of State in Council, appoint some person to be High Commissioner for India in the United Kingdom, and may with the like sanction and in like manner remove or suspend any such person and appoint another in his stead.

2. The person appointed to be High Commissioner for India in the United Kingdom (hereinafter referred to as the High Commissioner) shall hold office for a period not exceeding five years from the date of his appointment, and shall be eligible for the reappointment. The Governor-General in Council may at any time grant leave of absence to the High Commissioner, and appoint some person to discharge his duties in his absence.

3. The salary of the High Commissioner shall be three thousand pounds a year payable out of the revenues of India. No pension shall be payable in respect of services rendered as High Commissioner.

Provided that if a person in the Civil Service of the Crown in India is appointed High Commissioner, he may reckon his period of service as High Commissioner for the purpose of earning any pension for which he may be eligible as a member of the Civil Service of the Crown in India.
